Report Cards will be available on Friday June 29. If your child will be absent please send in a self-addressed stamped envelope (8 and a half by 11) to your child's teacher. Two stamps are required. If not you can pick up the report card on the first day of school.

Class Lists and Supply Lists for Sept 2018

Class lists will be posted on the school windows, by provincial student number, found on your child's report card, on Tuesday September 4 by 3pm. School begins on Wednesday Sept 5th promptly at 9am. School supply lists will be sent home with the report cards and will be posted on our school website.

Combined Classes

The province has directives on class sizes and configurations. In order to facilitate these class configurations we often have to combine classes. Questions from parents arise from combined classes. Several studies have shown that students in combined classes do just as well as students in single grade classes. In fact, some students actually do better in language and reading. Canadian studies show that children in combined classes have more opportunities for emotional and social growth. The rich social environment helps students: learn how to work on their own and as part of a team, build leadership abilities as they work together and help each other develop decision making skills; become more self-motivated and responsible, learn in an environment that reflects the real world.

From the staff and students of Hammonds Plains Consolidated School thank you for a great year and we will see you all in September.
