HPCS JUNE NEWS 2021

IMPORTANT DATES TO REMEMBER:

June 30	Reports will be emailed home.
Aug 25	Late Registration Day
Sept 2	PD Day (No School for Students)
Sept 6	Labour Day
Sept 7	First Day of School for Student

I want to thank each family for your continued support and dedication as we engaged in at home learning during these unprecedented times. I understand it has been challenging trying to juggle obligations, maintaining balance and taking on the huge role of learning from home. I want to personally commend each and every family. We are very happy to be back!

We are looking for Breakfast program volunteers to help during the month of June.

SEPTEMBER

As we look forward to next year you will be contacted by the school in late August/early September to welcome you and share important information about the first day of school. At this time there is not a pre primary nor primary orientation scheduled but please be sure to check our website at the end of summer for back to school info and orientation.

SUMMER READING:

Every year, Halifax Public Libraries is pleased to be a launch point for the TD Summer Reading Club. Typically, we'd be bursting into school classrooms with in-person presentations and registrations for kids, tweens and teens. In light of COVID-19 prevention, we hope you can help us spread the word this year.

The links below are to our Summer Reading Club website and registration form, and an introductory video you can show to your classes or share with young bookworms in your community. I've also attached an image file that could be of use.

Please reach out at any time if you have questions! And, we encourage youth to continue checking our Summer Reading Club website at the link below for news throughout the summer (including our Annual Ghost Story Writing contest!)

Thanks for your time! We look forward to all the prizes summer brings.
